Rated capacity plate Fork arms/attachment Carriage plate Traverse plate & turret Mast rollers / slides Mast Lift chains Lift chains Chain pulleys Hydraulics Wheels/tyres Safety gates Audible warnings Emergency lowering Hydraulic controls Presence pedal Driving and braking Guidance system External condition Operating position Operators seat Starting procedure - electric Lights Checked By  Checked By	Date											
Fork arms/attachment Carriage plate Traverse plate & turret Mast rollers / slides Mast Lift chains Chain pulleys Hydraulics Wheels/tyres Safety gates Audible warnings Emergency lowering Hydraulic controls Presence pedal Driving and braking Guidance system External condition Operators seat Starting procedure - electric Lights												
Carriage plate Traverse plate & turret  Mast rollers / slides  Mast Lift chains Chain pulleys Hydraulics Wheels/tyres Safety gates Audible warnings Emergency lowering Hydraulic controls Presence pedal Driving and braking Guidance system External condition Operators seat Starting procedure - electric Lights	Rated capacity plate											
Traverse plate & turret  Mast rollers / slides  Mast  Lift chains  Chain pulleys  Hydraulics  Wheels/tyres  Safety gates  Audible warnings  Emergency lowering  Hydraulic controls  Presence pedal  Driving and braking  Guidance system  External condition  Operators seat  Starting procedure - electric  Lights	Fork arms/attachment											
Mast rollers / slides  Mast  Lift chains  Chain pulleys  Hydraulics  Wheels/tyres  Safety gates  Audible warnings  Emergency lowering  Hydraulic controls  Presence pedal  Driving and braking  Guidance system  External condition  Operating position  Operators seat  Starting procedure - electric  Lights	Carriage plate											
Mast Lift chains Chain pulleys Hydraulics Wheels/tyres Safety gates Audible warnings Emergency lowering Hydraulic controls Presence pedal Driving and braking Guidance system External condition Operators seat Starting procedure - electric Lights	Traverse plate & turret											
Lift chains Chain pulleys Hydraulics Wheels/tyres Safety gates Audible warnings Emergency lowering Hydraulic controls Presence pedal Driving and braking Guidance system External condition Operators seat Starting procedure - electric Lights	Mast rollers / slides											
Chain pulleys Hydraulics Wheels/tyres Safety gates Audible warnings Emergency lowering Hydraulic controls Presence pedal Driving and braking Guidance system External condition Operating position Operators seat Starting procedure - electric Lights	Mast											
Hydraulics Wheels/tyres Safety gates Audible warnings Emergency lowering Hydraulic controls Presence pedal Driving and braking Guidance system External condition Operating position Operators seat Starting procedure - electric Lights	Lift chains											
Wheels/tyres Safety gates Audible warnings Emergency lowering Hydraulic controls Presence pedal Driving and braking Guidance system External condition Operating position Operators seat Starting procedure - electric Lights	Chain pulleys											
Safety gates  Audible warnings  Emergency lowering  Hydraulic controls  Presence pedal  Driving and braking  Guidance system  External condition  Operating position  Operators seat  Starting procedure - electric  Lights	Hydraulics											
Audible warnings  Emergency lowering  Hydraulic controls  Presence pedal  Driving and braking  Guidance system  External condition  Operating position  Operators seat  Starting procedure - electric  Lights	Wheels/tyres											
Emergency lowering Hydraulic controls Presence pedal Driving and braking Guidance system External condition Operating position Operators seat Starting procedure - electric Lights	Safety gates											
Hydraulic controls Presence pedal Driving and braking Guidance system External condition Operating position Operators seat Starting procedure - electric Lights	Audible warnings											
Presence pedal Driving and braking Guidance system External condition Operating position Operators seat Starting procedure - electric Lights	Emergency lowering											
Driving and braking Guidance system External condition Operating position Operators seat Starting procedure - electric Lights	Hydraulic controls											
Guidance system  External condition  Operating position  Operators seat  Starting procedure - electric  Lights	Presence pedal											
External condition Operating position Operators seat Starting procedure - electric Lights	Driving and braking											
Operating position     Operators seat       Starting procedure - electric     Operators seat       Lights     Operators seat	Guidance system											
Operators seat Starting procedure - electric Lights	External condition
